Issue 1.

Save Our Swimming Pool

The bid to re-open Treherbert Swimming Pool gathers momentum with the formation of the 'Friends of Treherbert Swimming Pool'.

A group of local people, supported by CwmNi, are working towards convincing the Local Authority that the swimming pool at Treherbert is a necessary local amenity and deserves to be kept open. A Business Plan has been drawn up and presented to the Rhondda Cynon Taf County Borough Council. Several suggestions have been put forward, one plan suggests the shallow end being altered so that mothers and toddlers can use the pool safely.

Mother and
Toddler Group.

Design our LOGO Competition

Children of all ages will be invited to design a LOGO for the 'Friends of Treherbert Swimming Pool' which will be used on all future publication of the Newsletter.

To enter your school into this Competition, please contact:

Janet on 773668

There will be a prize for the best entry in each age group category.

Over the past few weeks our school children have been unable to swim as there is no suitable facility available to them in the locality.

The Local Authority have advised that the pool at Treorchy Comprehensive School is open on Tuesday for Aqua-aerobics from 5pm - 5.45pm. Adult swimming is from 6pm-8pm.

Children under 16 years can swim on Thursday from 5.30pm - 7.30pm.

Payment for this facility is to be made at the reception desk at Ystrad Sports Centre before you swim!!!

The question being asked is 'How are we able to go to Ystrad to pay for swimming and then go back to Treorchy Comprehensive?' The cost of transport plus the time incurred makes it almost impossible to attend.

S.O.S

Save Our Swimming

Remember it is your children's future and it is our responsibility to look after them.

So come on, have a go and design anything you think appropriate, black and white or colour the choice and subject is for you to choose.
